Attention: Ms. Sue Kiser

Dear Ms. Kiser:

The Shasta Regional Transportation Planning Agency (ShastaRTPA) administrative amendment #7, enclosed, is approved and incorporated into the Federal Statewide Transportation Improvement Program (FSTIP).

This amendment modifies funding by phase for a Transportation Enhancement lump sum project in 2005/2006 and adds \$300,000 of local funding to the Hazard Elimination Safety lump sum in 2005/2006. These changes are included and submitted by ShastaRTPA through the California Transportation Improvement Program System (CTIPS). Refer to CTIPS project #111-000-0140 and #211-000-0033.

This amendment adheres to the procedures for FSTIP modifications and meets the definition of administrative actions. The addition of funds does not exceed 20 percent of the total project cost, does not affect air quality conformity, timely implementation of Transportation Control Measures (TCM's) or financial constraints, and does not result in major scope change.

Please address any questions on this FSTIP approval request to Cathy Gomes of my staff, at (916) 654-3271.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel Falsetti".
